On motion of Mr. SKEEN, the previous question was ordered on the conference report to its adoption or rejection.

Mr. POMEROY moved to recommit the conference report on H.R. 4101 to the committee of conference with instructions for the managers on the part of the House to the extent possible within the scope of conference to increase the assistance available to family farmers suffering economic loss as a result of record low prices, deteriorating market conditions and/or natural disasters, to take into account the almost 50 percent drop in real income that has occurred in some farming sectors since 1980; and to limit such assistance to individuals actively engaged in farming.
